

# Member-to-Member Discount Program

**The Chamber SMART BUY! program** is designed to promote buying between members, to provide another avenue for chamber members to promote their business, and to increase foot traffic to business locations. By giving a discount unique to your product or service to Angola Chamber members and their employees, you gain another opportunity to increase sales.

## To be a participant in the program:

- Must be a chamber member in good standing.
- There is no cost to participate. The program is free to chamber members.
- Think of a discount unique to your business. The more unique to your product or services...the better.
- Complete the enrollment form at the bottom of the page and fax to the chamber office at 260-665-7418.

## To redeem discounts from chamber members at your place of business:

- Each Angola chamber member will receive cards identifying them as **Chamber SMART BUY! program** users. The member, and all of their full-time employees, may use the card to take advantage of discounts offered. It is important to ask to see the card in order to verify eligibility by looking at the expiration date. Cards will be renewed every year on March 1st to members in good standing. You may honor any expired cards if you choose to do so or decline based on program guidelines.

## What the Chamber will do for you as a participant:

- Place participating members on the website page designed for the **Chamber SMART BUY! program**. The listing will include your business name and phone number, as well as the discount particulars that you offer.
- Encourage members to log on to our website to view savings they can gain. We will also have a printable version of the discount directory available as well.
- Allow for changes to your discount listing. You can log on to your microsite to change your offer any time.

**Samples of Discounts:** 20% off all regularly priced items; 10% off web designing services; 15% off tax filings; 15% off all Watches/Hand Crafted items; 10% off all Wallpaper and Recliners. **Log onto [www.angolachamber.org](http://www.angolachamber.org) for a complete listing.**
